

PREMIUM BRIGHT-FINISH MEAT BANDSAW

Designed specifically for cutting meat and fish, these blades are manufactured with flame-hardened teeth and an annealed back to permit higher feed speeds providing a smoother finish and resulting in longer blade life.

Available in coil lengths and welded to length.

| WIDTH | THICKNESS | T.P.I. |
|-------|-----------|----------|
| 5/8" | .014 | 3 (fish) |
| 5/8" | .024 | 3-4 |
| 3/4" | .022 | 3 |
| 1" | .032 | 3 |
